Dear Sirs,

**SIAC ARBITRATION NO. 83 OF 2016 IN THE MATTER OF AN
ARBITRATION BETWEEN GEO MILLENium SYSTEM PTE LTD
("CLAIMANT") AND NCS PTE LTD ("RESPONDENT")**

1. We refer to the above matter and the Respondent's letter dated 11 May 2017.
2. We stand corrected on the date of the letter from your good office on the arbitration fees. Be that as it may, since 3 April 2017, the Respondent has not made payment for its shares of the fees.
3. The Claimant notes the repeated and late requests by the Respondent for further time extensions and/or objections since the Notice of Arbitration was served in April 2016. The Claimant does not wish to litigate over correspondence and reserves the right to raise this delay at the appropriate juncture.
4. We would be most grateful if SIAC can provide further directions so that the arbitration can proceed.
5. All our client's rights are expressly reserved.

6. Thank you.

Best regards,

Cheryl Ng
