2 The Licensee hereby agrees to perform and observe the following stipulations :-

- (i) To hold the said land until the same shall be comprised in a lease to be granted as hereinafter provided as licensee upon the same terms relating to the lease referred to in clause 2(ii) herein at the same rent and subject to the same covenants and stipulations so far as applicable as if a lease thereto has been actually granted and so that the Owner shall have all the remedies by whatsoever means for rent in arrears that are incidental to the relationship of landlord and tenant but so that nothing herein contained shall be construed as creating a legal demise or any greater interest in the licence than a tenancy at will.
- (ii) To pay in advance as from the date hereof a licence fee calculated at the same rate and on the dates specified as for the rent reserved in the lease of the said land set out in the First Schedule hereto as if such lease has actually been granted.
- (iii) To pay on the Owner's behalf to the Comptroller of Property Tax an amount equivalent to the sum payable by the Owner as property tax in respect of the said land improvements and structures thereon during the said period or of such extended period (if any) permitted under clause 3(c) hereof by way of additional licence fee or for the period prior to the issue of the lease to be granted under clause 4 herein.
- (iv) To pay interest at the rate of 8.5% per annum or such higher rate as may be determined from time to time by the Owner in respect of any outstanding

amount payable by the Licensee under this Agreement from the date such amount becomes due until payment in full is received by the Owner.

- (v) To pay to the Owner all survey fees and other charges including those payable to and claimed by the relevant Government Planning Authorities for the survey of the said land for the purpose of sub-division of the land of which the said land forms part and the preparation and issue of a Certificate of Title PROVIDED THAT the Owner shall have the right to employ his own surveyor to carry out the said survey in which event the Licensee shall bear all costs incurred.

- (vi) At his own cost and expense -

- (a) to engage a professional engineer to carry out soil investigations to advise on the soil conditions and to design structurally sound buildings proposed to be erected taking into consideration the condition of the said land; and
- (b) to execute such work as may be required to be done in respect of the state and condition of the said land (especially its ground levels, topography and soil conditions) which state and condition the Licensee shall be deemed to have full knowledge.

- (vii) Without prejudice to sub-clause (vi) above to submit within three (3) months from the date hereof firstly to the Owner for his approval and then to the relevant Government Planning and Building Authorities full and complete plans elevations and specifications of the buildings proposed to be erected on the said land in accordance in every way

with the requirements under the Planning Act and the Local Government Integration Act PROVIDED THAT the Owner may give or refuse his approval at his absolute discretion.

- (viii) At his own cost to commence erection on the said land either within six (6) months from the date hereof or within one (1) month from the date of approval of the plans by the relevant Government Building Authorities and in a substantial and workman-like manner with the best materials of their available kinds and in conformity in every respect with the plans, elevations, sections and specifications approved by the Owner and the relevant Government Building Authorities to finish the factory buildings, structures and other appurtenances including the installations of all equipment, fixtures and fittings so as to be completely fit for immediate occupation and operation within the said period of two (2) years from the date hereof PROVIDED ALWAYS THAT in the planning, erection, construction and completion of the said buildings, to develop to a gross plot ratio of not less than 0.5 ____ AND PROVIDED FURTHER THAT the Licensee shall not install or use any electrical installation, machine or apparatus that may cause or causes heavy power surge, high frequency voltage and current, air borne noise, vibration or any electrical or mechanical interference or disturbance whatsoever which may prevent or prevents in any way the service or use of any communication system or affects the operation of other equipment, installations, machinery, apparatus or plants of other Licensees.

pl initial

- (ix) At his own cost to take such steps and execute such works upon the said land as may be necessary for the protection of shores and embankments if any and for the prevention of earth-slip erosion of soil and failure of slopes expeditiously in a workman-like manner and to the satisfaction of the Owner and other relevant governmental and statutory authorities.
- (x) If the Licensee shall fail to complete the said buildings works and installations and to commence operations within the period specified in clause 2(viii) or within any extended period under clause 3(c) hereof the Licensee shall pay to the Owner a sum calculated at the rate of \$50.00 per day as liquidated damages for the period during which the said buildings shall so remain or have remained incomplete.
- (xi) To remove and replace any materials brought on the said land or used in any of the said buildings works or installations which the Owner shall require to be removed as being inferior or unfit and to make good any workmanship which he shall consider imperfect and if the Licensee fails to remedy such defects the Owner may enter upon the said land and remedy such defects at the expense of the Licensee after expiry of fourteen (14) days' notice being given to the Licensee to do so.
- (xii) Not to erect or build or permit or suffer to be erected or built any building, structure or installation other than those conforming with the plans elevations sections and specifications approved by the Owner and the relevant Government Building Authorities nor to make any alterations in the external elevation of any of the said buildings when erected without the prior consent in writing of the Owner.

- (xiii) In the erection and completion of the said buildings, structures and installations to do all acts and things required by and to perform the works in conformity with all respects with the provisions of any laws or regulations made thereunder and to pay and keep the Owner indemnified against all claims and other payments whatsoever which during the progress of the works may become payable in respect of the said works or of anything done under the authority herein contained and from time to time to discharge and pay all claims, assessments and outgoings now or at any time hereafter be chargeable against the Owner under any law or otherwise in regard to the said land, the said buildings or any structures or installations thereon.
- (xiv) Not to do or permit or suffer to be done in or upon the said land or any part thereof anything which in the opinion of the Owner may be or become a nuisance or annoyance or cause damage or inconvenience to the Owner or to the Licensees or occupiers of any adjoining or neighbouring premises or whereby any insurance for the time being effected on the premises under sub-clause (xix) herein may be rendered void or voidable or be in any way affected.
- (xv) Not to sell or dispose of any earth, clay, gravel or sand from the said land or permit or suffer any of the same to be removed except so far as shall be necessary for the execution of the said works PROVIDED nevertheless that the Licensee may use for the purpose of the said works any of the approved materials if so required.

- (xvi) Not without the prior consent in writing of the Owner to remove or permit or suffer to be removed until after completion of the said buildings in accordance with the provisions herein contained any building materials (other than inferior or unfit materials removed for the purpose of being replaced by proper materials) or plant which shall be brought upon the said land for the purpose of the said works.
- (xvii) Not without the prior consent in writing of the Owner to affix or exhibit or erect or paint or permit or suffer to be affixed or exhibited or erected or painted on or upon any part of the exterior of the said land or of the external walls or rails or fences thereof any nameplate, signboard, placard, poster or other advertisement or hoarding.
- (xviii) Not at any time to deposit or make up or manufacture or permit or suffer to be deposited made up or manufactured upon the said land any building or other materials except such as shall be actually required for the buildings to be erected on the said land in accordance with this Agreement and as soon as the buildings hereinbefore agreed to be erected shall be completed at his own expense to remove from the road or footpath adjoining the said land or the ground intended to be used for such road or footpath all building and other materials and waste whatsoever.
- (xix) As soon as any of the said buildings shall have reached a height of five (5) feet above ground level to insure the same to the full value thereof in the joint names of the Owner and the Licensee against loss or damage by fire in some insurance office approved by the Owner and shall increase such insurance proportionately as the said buildings approach completion and to keep the same so insured until a lease shall be granted as hereinafter provided and to pay all premiums thereof at least seven

(7) days before the expiry date of such insurance policy and to produce to the Owner or his agent without demand the policy or policies of such insurance and the receipt for each such payment and in the event the said buildings or any part thereof are destroyed or damaged by fire then to forthwith give to the Owner written notice of such destruction or damage and to forthwith cause all monies received by virtue of any such insurance to be forthwith laid out in rebuilding and reinstating the buildings to the satisfaction of the Owner and to make up any deficiency thereof out of his own monies, but the rebuilding and reinstatement shall in any event commence and be completed within the period specified by the Owner PROVIDED ALWAYS THAT if the Licensee shall at any time fail to keep the premises insured as aforesaid the Owner may without being under any obligation to do so do all things necessary to effect or maintain such insurance and any monies expended by him for that purpose shall be repayable by the Licensee on demand and be recovered forthwith from the Licensee as a debt.

(xx) Not to assign sublet grant a licence or part with or share his interest under this Agreement, or the possession or occupation of the said land, or any part thereof EXCEPT THAT, subject to the Owner's prior written consent, which consent shall not be unreasonably withheld, the Licensee may mortgage his interest under this Agreement by way of assignment to secure the repayment of such sum or sums as the Licensee may require for the purpose of erecting or completing the building or other structure to be built on the said land in accordance with the provisions of this Agreement PROVIDED THAT the Licensee shall thereafter continue to be liable for the observance and performance of the several stipulations herein contained until the grant of the lease as hereinafter provided.

- (xxi) Not to permit or suffer any person to occupy reside or make use of any building erected on the said land before a final or a temporary Certificate of Fitness for Occupation has been issued by or except with the permission of the relevant Governmental and Statutory authority.
- (xxii) To make reasonable provision against and be responsible for all loss, injury and damage to any person (including loss of life) or property including that of the Owner for which the Licensee may be held liable arising out of or in connection with the occupation and use of the said land and the structures erected thereon and to indemnify the Owner against all proceedings, claims, costs and expenses which he may incur or for which he may be held liable as a result of any act, neglect or default of the Licensee his servants, contractors, sub-contractors, or agents or their respective servants.
- (xxiii) To make good and sufficient provision for the safe and efficient disposal of all waste including but not limited to pollutants generated at the said land to the requirements and satisfaction of the Owner and other relevant Governmental and Statutory authorities PROVIDED THAT in the event of any default by the Licensee under this covenant the Owner may carry out such remedial measures as he thinks necessary and all costs and expenses incurred thereby shall be recoverable forthwith from the Licensee as a debt.
- (xxiv) Not to effect a change of name except with the prior consent in writing of the Owner PROVIDED THAT on every change of name the Licensee shall pay to the Owner a fee to be specified by the Owner in relation to such consent.

- (xxv) To construct an internal drainage system to the satisfaction of the Owner to ensure that all surface water collected is discharged into the public drains and will not flow into adjoining properties.
- (xxvi) To construct and complete a permanent culvert within nine (9) months from the date hereof or any extension thereof as may be approved by the Owner and in connection thereof to submit plans to and to obtain the prior approval in writing of the Owner for the construction of a temporary crossing.
- (xxvii) Within one (1) month of the completion of the permanent culvert mentioned in sub-clause (xxvi) above to remove the temporary crossing and to reinstate any roads, roadside kerbs, drains, turfing or the like damaged by the Licensee, his servants, contractors, sub-contractors, or agents or their respective servants to the satisfaction of the Owner and the relevant Governmental and Statutory authorities.
- (xxviii) Within one (1) month of the completion of the construction of the said buildings and related civil works to reinstate any damage caused to the roads, roadside kerbs, drains, turfing and the said permanent culvert by the Licensee his servants contractors or agents or their respective agents to the satisfaction of the Owner and the relevant Governmental and Statutory authorities.
- (xxix) To place with the Owner a deposit of \$5,000.00 which shall be forfeited in the event of any breach of any of the provisions in sub-clauses (xxvi), (xxvii) and (xxviii) herein without prejudice to the rights and remedies of the Owner contained in this Agreement and the Lease.

- (xxx) At his own cost to plant and maintain trees and landscape the said land in accordance with all the requirements of the Parks and Recreation Department, Ministry of National Development and other relevant Governmental and Statutory authorities.
- (xxxii) At his own cost to execute such work as may be necessary to divert existing utility services such as pipes, cables and the like (if any) to the requirements and satisfaction of the Owner and other relevant Governmental and Statutory authorities.
- (xxxiii) If the Licensee shall at any time be found to have encroached upon any area beyond the allocated boundaries of the said land, the Licensee shall at his own cost and expense, but without prejudice to any other right or remedy the Owner may have against him, immediately or within the time specified (if any) by the Owner rectify and remove the encroachment to the satisfaction of the Owner and pay to the Owner such compensation as may be specified by the Owner. If, however, the Owner in his absolute discretion permits the Licensee to regularise and retain the encroached area or any part thereof upon such terms and conditions as may be stipulated by the Owner and any other relevant Governmental and Statutory authorities, the Licensee shall pay licence fee on the encroached area with retrospective effect from the date hereof, and the Licensee shall also pay all survey fees, amalgamation fees, legal fees (including solicitor and client costs and expense), and all other costs and charges relating thereto.
- (xxxiiii) If any damage of whatsoever nature or description shall at any time occur or be caused to the said land or any building or structure or installation thereon, or any part thereof, to forthwith give to the Owner written notice of the damage and to remedy the damage to the satisfaction of the Owner within such time as the Owner may specify, all at the cost of the Licensee.

3 It is hereby mutually agreed that until the Licensee has performed all his obligations herein contained the Owner shall possess the rights and powers following :-

- (a) The right for himself and his agents with or without workmen or others at all reasonable times to enter upon the said land to view the state and progress of the said buildings and works and to inspect and test the materials and workmanship in connection therewith and for any other reasonable purpose including the construction and installation of sewers drains pipes and cables on or leading from any adjoining or neighbouring land of the Owner as may be required by the Owner.
- (b) Full right and liberty in case any of the said buildings and other structures or installations hereby agreed to be erected be not completed and fit for immediate occupation within the period hereinbefore limited (time in this respect shall be of the essence of the contract) and in accordance in every way with the stipulations hereinbefore contained or in case the Licensee shall in any other way fail to perform and observe any of the stipulations on his part herein contained or if any charging order made in respect of the said land or any structure thereon shall be enforced without the written consent of the Owner having first been obtained by the Licensee or by the person in whose favour the charging order shall have been made, to re-enter upon and take possession of the said land and all buildings structures fixtures plant material and effects whatsoever thereon with power to hold and dispose thereof as if this Agreement had not been entered into and without making to the Licensee any compensation or allowance for the same and this Agreement shall thereupon determine but without prejudice to any right of action or other remedy of the Owner for the recovery of any licence fee or monies due to him from the Licensee or in respect of any breach of this Agreement PROVIDED ALWAYS THAT if the said

land has been assigned by way of mortgage the provisions of this clause shall not take effect until the Owner has served upon the mortgagee notice in writing specifying the breach and the mortgagee has failed to remedy such breach.

(c) PROVIDED nevertheless that notwithstanding any such default as aforesaid in completing the said buildings and works the Owner may in his discretion give notice in writing to the Licensee of his intention not to enforce the stipulations herein contained and may fix any extended period for the completion of the said works in substitution for the said period of two (2) years hereby fixed for such completion and thereupon the obligations hereunder of the Licensee to complete the said works and to accept a lease hereinafter mentioned shall be taken to refer to such substituted period.

(d) Without prejudice to the generality of clause 3(b) hereof full right and liberty in the event that the Licensee has failed to either :-

- (i) develop the said land to the gross plot ratio specified in clause 2(viii), or
- (ii) fulfill the investment criterion as stipulated in Clause 4

with full and absolute discretion to the Owner to either :

- (i) re-enter upon and take possession of the said land or any part thereof and all buildings, structures, fixtures, plant, material and effects whatsoever thereon with power to hold and dispose thereof as if this Agreement had not been entered into and without making to the Licensee any compensation or allowance for the same and this Agreement shall thereupon determine but without prejudice to any right of action or other remedy of the Owner or recovery of any licence fee or monies due to him from the Licensee or in respect of any breach of this Agreement, or

- (ii) reduce the term of lease proportionately as the actual amount invested bears with the required fixed investment on the said land as stipulated in clause 4 in which event the Licensee shall execute such documents as the Owner shall deem necessary and in connection therewith, pay all costs disbursements fees and charges legal or otherwise as provided in clause 5.

PROVIDED ALWAYS that if the said land has been assigned by way of mortgage, the provisions of this sub-clause (d) shall not take effect until the Owner had served upon the Mortgagee notice in writing specifying the breach and the Mortgagee has failed to remedy such breach.

4 If the said buildings and works shall have been completely finished to the satisfaction of the Owner and the relevant Government Building Authorities (to be evidenced by their certificates in writing to that effect) within the said period of two (2) years or of such extended period (if any) as aforesaid and if the Licensee shall have performed and observed all the stipulations herein on his part contained other than such as may have been waived as aforesaid and if there shall be a minimum investment by the Licensee of \$625/- per square metre of the gross building area on buildings and civil works and a minimum investment of \$200/- per square metre of the said land on plant and machinery, within the said period of two (2) years from 1st July 1991 (due proof of such investment to be produced to the satisfaction of the Owner) then the Owner shall grant and the Licensee shall accept and execute a counter-part of one good and sufficient lease or sub-lease of the said land and premises together with the buildings so erected thereon with their appurtenances for the term of thirty (30) years from the 1st day of July 1991 at the rent and in the form containing the reservation exceptions covenants conditions and provisions set forth in the FIRST SCHEDULE hereto with such modifications as circumstances may render necessary and such other covenants conditions or stipulations to be performed by the Licensee governing or regulating the use of the said land as the Owner thinks fit with a view to preserving the value thereof or protecting the interests of the licensees or occupiers of land or premises adjacent to the said land from any dangerous or obnoxious or otherwise harmful activities which may be carried out by the Licensee whether or not such activities are incidental to the Licensee's trade PROVIDED THAT until such lease is executed the Licensee shall be deemed to be the Lessee of the said land as though a lease has been executed at the same rent and subject to the covenants and conditions contained in the First Schedule hereto so far as the same are applicable.

- (xxiii) At his own cost to take such steps and execute such works upon the demised premises as may be necessary for the protection of shores and embankments if any and for the prevention of earthslip erosion of soil and failure of slopes expeditiously in a workmanlike manner and to the satisfaction of the Lessor.
- (xxiv) To construct an internal drainage system within the demised premises to the satisfaction of the Lessor to ensure that all surface water collected thereon is discharged into the public drains.
- (xxv) Not to effect a change of name except with the prior consent in writing of the Lessor PROVIDED THAT on every change of name the Lessee shall pay to the Lessor a fee to be specified by the Lessor in relation to such consent.
- (xxvi) To perform and observe the covenants on the Lessor's part contained in the Head Lease made between the President of the Republic of Singapore and the Lessor so far as they are not varied herein and to keep the Lessor indemnified against all claims damages costs and expenses in any way relating thereto.

- (xxvii) To maintain the demised premises and every part thereof in a neat and tidy condition, and forthwith to comply with the Lessor's direction to remove and clear any materials, goods or articles of whatever nature and description from the demised premises or such part thereof as may be stipulated in writing by the Lessor.
- (xxviii) At his own cost to plant and maintain trees and landscape the demised premises in accordance with all the requirements of the Parks and Recreation Department, Ministry of National Development and other relevant governmental and statutory authorities.
- (xxix) Not to install or use any electrical installation, machine or apparatus that may cause or causes heavy power surge, high frequency voltage and current, air borne noise, vibration or any electrical or mechanical interference or disturbance whatsoever which may prevent or prevents in any way the service or use of any communication system or affects the operation of other equipment, installations, machinery, apparatus or plants of other Lessees in connection therewith, to allow the Lessor or any authorised person to inspect at all reasonable times, such installation, machine or apparatus in the demised premises to determine the source of the interference or disturbance and thereupon, to take suitable measures, at the Lessee's own expense, to eliminate or reduce such interference or disturbance to the Lessor's satisfaction, if it is found by the Lessor or such authorised person that the Lessee's electrical installation, machine or apparatus is causing or contributing to the said interference or disturbance.
- (xxx) To indemnify the Lessor against each and every claim, proceeding, action, loss, penalty, damage, expense, cost and demand which may arise in connection with clause (xxix) above.
- (xxxi) At the Lessee's own cost to execute such works as may be necessary to divert existing utility services such as pipes, cables and the like (if any) to the requirements and satisfaction of the Lessor and other relevant governmental and statutory authorities.
- (xxxii) Subject to that clause in the Special Covenants and Conditions of this Lease which stipulates the specific use the Lessor permits for the demised premises, the Lessee shall use and shall ensure that at least sixty per centum (60%) of the total floor area of the demised premises shall be used for purely industrial activities, and may use the remaining floor area for ancillary stores and offices, neutral areas, communal facilities and such other uses as may be approved in writing by the Lessor and the relevant governmental and statutory authorities PROVIDED THAT the said ancillary offices shall not exceed twenty-five per centum (25%) of the total floor area AND PROVIDED FURTHER THAT the Lessee shall not use and occupy the demised premises for the purpose of commercial office and storage unrelated to the Lessee's approved industrial activity.

- (xxxiii) If the Lessee shall at any time be found to have encroached upon any area beyond the boundaries of the demised premises, the Lessee shall at his own cost and expenses, but without prejudice to any other right or remedy the Lessor may have against him, immediately or within the time specified (if any) by the Lessor rectify and remove the encroachment to the satisfaction of the Lessor and pay to the Lessor such compensation as may be specified by the Lessor. If, however, the Lessor in his absolute discretion permits the Lessee to regularise and retain the encroached area or any part thereof upon such terms and conditions as may be stipulated by the Lessor and any other relevant governmental and statutory authorities, the Lessee shall pay land rent on the encroached area with retrospective effect from the date of commencement of the term hereby created, and the Lessee shall also pay all survey fees, amalgamation fees, legal fees (including solicitor and client costs and expense), and all other costs and charges relating thereto.
- (xxxiv) If any damage of whatsoever nature or description shall at any time occur or be caused to the demised premises or any part thereof, to forthwith give to the Lessor written notice of the damage and to remedy the damage to the satisfaction of the Lessor within such time as the Lessor may specify, all at the cost of the Lessee.
- (xxxv) Not to keep or permit to be used or stored in the demised premises or any part thereof any materials of a dangerous or explosive nature without the prior consent in writing of the Lessor and to keep the Lessor indemnified against all damages claims and action caused by the use of storage of such materials whether or not the same is done with the consent of the Lessor.

2 The Lessor hereby covenants with the Lessee that the Lessee paying the rent hereinbefore reserved and performing and observing the covenants conditions and agreements on the part of the Lessee hereinbefore contained shall peaceably hold and enjoy the demised premises during the term hereby granted without any interruption of or by the Lessor or any person lawfully claiming through under or in trust for him.

3 PROVIDED ALWAYS and it is hereby agreed between the parties as follows :-

- (a) That no estate or interest in the soil of the road and footpath adjacent to the demised premises is or shall be deemed to be included in the demise hereinbefore contained.
- (b) That the Lessee shall not be entitled to any right of access of light or air to the demised premises or any part thereof, which would restrict or interfere with the user of any adjoining or neighbouring land for building or any other purpose.

- (c) That if the said rent hereby reserved or any part thereof shall be unpaid for fourteen days after becoming payable (whether the same shall have been formally demanded or not) or if any of the covenants or obligations on the part of the Lessee herein contained shall not be performed or observed or if any charging order made in respect of the demised premises shall be enforced by sale or by entry into possession without the written consent of the Lessor having first been obtained (Section 17 of the Conveyancing and Law of Property Act shall also not apply in such event) by the Lessee or by the person in whose favour the charging order shall have been made, then and in any such case it shall be lawful for the Lessor or any person or persons authorised by him in that behalf at any time thereafter to re-enter upon the demised premises or any part thereof in the name of the whole and thereupon the term hereby created shall absolutely determine but without prejudice to any right of action or remedy of the Lessor in respect of any breach of any of the covenants or conditions by the Lessee herein contained PROVIDED THAT if the demised premises have been assigned by way of mortgage the provisions of this clause shall not take effect until the Lessor has served upon the mortgagee a notice in writing that such breach has occurred and the mortgagee has failed to remedy such breach.

4 In this Lease where the context so requires or permits, words importing the singular number or the masculine gender include the plural number or the feminine gender and words importing persons include corporation and vice versa, the expression "the Lessor" shall include its successors-in-title and assigns, the expression "the Lessee" shall include its successors-in-title and permitted assigns (if any), where there are two or more persons included in the expression "the Lessee" covenants expressed to be made by "the Lessee" shall be deemed to be made by such persons jointly and severally, and except where otherwise provided the expression "the demised premises" shall mean the land hereby demised and all buildings, structures, fixtures and fittings therein.

DATED : 5th October 1994

FIRST SUPPLEMENTARY AGREEMENT
PRIVATE LOT A12288 IN TUAS

THIS AGREEMENT is made the *5th* day of *October* 19*94*
BETWEEN the JURONG TOWN CORPORATION a body corporate incorporated
under the Jurong Town Corporation Act and having its Head Office
at Jurong Town Hall, Jurong Town Hall Road, Singapore 2260
(hereinafter called "the Owner") of the one part and MECHMASTER
ENGINEERING PTE LTD a company incorporated in Singapore and
having its registered office at

1 Tuas Avenue 16,

Singapore 2263

(hereinafter called "the Licensee") of the other part.

WHEREAS :

(A) By a Building Agreement dated the 12th day of September 1991 (hereinafter called "the Principal Agreement") made between the same parties as the parties herein and in the same order, the Owner granted to the Licensee the licence and authority to enter upon all that piece of land known as Private Lot A12288 (hereinafter called "the property") more particularly described in Clause 1 appearing at page 1 of the Principal Agreement for the purpose and upon the terms and conditions set out therein.

(B) The Owner, by its letters dated 12th and 17th day of March 1994, agreed to grant to the Licensee an option for a further term of thirty (30) years from 1st day of July 2021 subject to the terms and conditions of the said letters.

(C) The Lessor has also by its letter dated the 10th day of January 1994 to the Licensee, informed the Licensee of the decision by the Owner to convert the existing annual rent revision contained in the reddendum of the Lease in the First Schedule of the Principal Agreement to a more favourable rent revision scheme as set out hereunder, subject to the terms and conditions contained in the letter.

(D) This Agreement is supplemental to the Principal Agreement.

IT IS HEREBY AGREED to vary the Principal Agreement as follows:

1 That sub-clause (xxiv) of Clause 2 appearing at page 1 of the Principal Agreement shall be deleted and the following substituted therefor:

"(xxiv) Subject always to Clause 2(xx) hereinbefore appearing, to give to the Owner written notice of every change of name within one month from the date of each change."

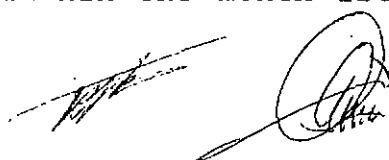

2 That the following sub-clause shall be inserted immediately after sub-clause (xxxiii) of Clause 2 appearing at page 11 of the Principal Agreement:

"(xxxiv) The licence fee and other taxable sums payable by the Licensee under or in connection with this licence shall be exclusive of the goods and services tax (hereinafter called "tax") chargeable by any government, statutory or tax authority calculated by reference to the amount of licence fee and any other taxable sums received or receivable by the Owner from the Licensee and which tax is payable by the Licensee. The Licensee shall pay the tax and the Owner acting as the collecting agent for the government, statutory or tax authority shall collect the tax from the Licensee together with the licence fees hereinbefore reserved without any deduction and in advance without demand on the 1st day of each of the months of January, April, July and October, and in the manner and within the period prescribed in accordance with the applicable laws and regulations."

2 That the basis or formula on which the yearly rent increase is calculated, as contained in that part of the reddendum from the words "but so that the increase shall not exceed 10%, compounded" to the words "Initial Rent x (1.1)ⁿ⁻¹" appearing on page 2 of the Lease contained in the First Schedule of the Principal Agreement, shall be and is hereby varied so that on and with effect from the 1st day of July 1994 and on the 1st day of July of every year thereafter the yearly rent shall also be subject to revision at the rate based on the market rent of the demised premises on the respective dates but so that each yearly increase shall instead not exceed 7.6% of the annual rent for each immediately preceding year.

4 That sub-clause (xxv) of Clause 1 of ML I/30809F referred to in the Lease contained in First Schedule of the Principal Agreement shall be deleted and the following substituted therefor:

"(xxv) Subject always to Clause 1(xi) of ML I/30809F, to give to the Lessor written notice of every change of name within one month from the date of each change."

pl initial

5 That the following sub-clause shall be inserted immediately after sub-clause (xxxvii) appearing at page 4 of the Lease contained in the First Schedule of the Principal Agreement:-

"(xxxviii) Without prejudice to the generality of Clauses 1(iii) and 1(vii) of ML I/30809F, the rent and other taxable sums payable by the Lessee under or in connection with this lease shall be exclusive of the goods and services tax (hereinafter called "tax") chargeable by any government, statutory or tax authority calculated by reference to the amount of rent and any other taxable sums received or receivable by the Lessor from the Lessee and which tax is payable by the Lessee. The Lessee shall pay the tax and the Lessor acting as the collecting agent for the government, statutory or tax authority shall collect the tax from the Lessee together with the rent hereinbefore reserved without any deduction and in advance without demand on the 1st day of each of the months of January, April, July and October, and in the manner and within the period prescribed in accordance with the applicable laws and regulations."

6 That the following Clause 2A shall be inserted immediately after clause 1(xxxviii) appearing at page 4 contained in the form of Lease in the First Schedule of the Principal Agreement:-

"2A The Lessor further covenants with the Lessee that he shall grant to the Lessee a lease of the demised premises for a further term of thirty (30) years (hereinafter referred to as "the further term") from the expiry of the said term upon the same terms and conditions and containing like covenants as are contained in this lease with the EXCEPTION of the present covenant for renewal PROVIDED THAT:

- (i) there shall be a minimum investment by the Lessee of \$750/- per square metre of the gross building floor area on building and civil works and a minimum investment of \$400/- per square metre of the demised premises on plant and machinery, (also referred to as "the fixed investment criteria") and due proof of such investment is produced to the satisfaction of the Lessor on or before the 31st day of December 1994;
- (ii) to build to a gross plot ratio of not be less than 0.6 by the 31st day of December 1994;
- (iii) at the time due proof of such investment is produced and at the expiry of the said term, there be no existing breach or non-observance of any of the covenants and conditions herein contained on the part of the Lessee to be observed or performed;

pl initial

(iv) the rental payable for the further term shall be as set out hereunder;

(a) the yearly rent for the further term shall be at the rate based on the market rent at the commencement of the further term (hereinafter referred to as "the Second Initial Rent") which rate shall however be subject to revision on the 1st day of July 2022 to a rate based on the market rent on the date of such revision determined in the manner following but so that the increase shall not exceed 7.6% of the Second Initial Rent;

(b) the yearly rent so revised on the 1st day of July 2022 shall be subject to revision on the 1st day of July of every year thereafter at the rate based on the market rent on the respective dates determined in the manner following but so that the increase shall not exceed 7.6% of the annual rent for each immediately preceding year;

(c) the yearly rent for the further term shall be payable by equal quarterly instalments without any deductions and in advance without demand on the 1st day of each of the months of January, April, July and October in every year of the further term at the office of the Lessor or at such other office as the Lessor may designate the 1st of such payments to be made on or before the commencement of the further term;

(d) for the purposes of (a) and (b) above, the market rent shall mean the rent per square metre per annum of the demised premises excluding the buildings and other structures erected thereon and shall be determined by the Lessor on or about the dates mentioned (and payable retrospectively with effect from the dates mentioned if determined after the dates mentioned) and the decision of the Lessor shall be final;

 pl initial

- (v) if required by the Lessor, the Lessee shall within four (4) months from the commencement of the further term and at his own cost and expense, carry out and complete such improvements to the landscaping at the demised premises as may be stipulated in writing by the Lessor;
- (vi) the Lessee shall six (6) months before the expiry of the said term submit, for the approval of the Lessor and the relevant governmental and statutory authorities, plans for the upgrading of the exterior of buildings on the demised premises to the same highest quality of new buildings which the Lessor will be building at that time, and the Lessee shall expeditiously do all acts and things necessary to obtain the approval, all the cost and expense of the Lessee; and
- (vii) the Lessee shall at his own cost and expense complete, within eighteen (18) months from the commencement of the further term, the upgrading of the buildings in accordance with the plans approved by the Lessor and the relevant governmental and statutory authorities and to the satisfaction of the Lessor.
